# Best of Mont Ventoux and its surroundings

## BÉDOIN

A beautiful tourist destination with a blend of culture, shops, restaurants and cafes and its famous local market every Monday. Pop into the Tourist Office when you arrive to help you plan your stay. [bedoin@ventouxprovence.fr](mailto:bedoin@ventouxprovence.fr)

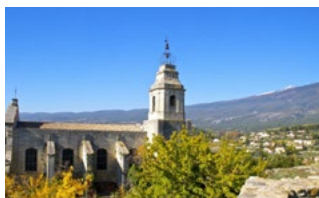

## LES VIGNERONS DU VENTOUX

Vineyard walks take place all year round for €5/ person (free for children under 8). To experience the tasting workshops, you will need to book your 2-hour slot in advance at the price of 22 € per person. [caveau@bedoin.com](mailto:caveau@bedoin.com)

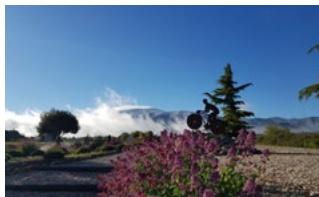

## RUCHOFRUIT

Situated 7km from Bédoin in the provençal village of Flassan, the Ruchofruit opens its doors to taste their locally produced jams, aperitives and syrups. Open Monday to Friday (10am - 6pm). [www.ruchofruit.com](http://www.ruchofruit.com)

## LE DOMAINE DES PATYS

A 9-hectare vineyard with an emphasis on organic farming respecting both the environment and his vines. The tasting cellar is open every afternoon. [www.domaine-les-patys.fr](http://www.domaine-les-patys.fr)

## HIKING FROM BEDOIN

You can set off from the village on foot and three short hikes will take you into the surrounding countryside, surrounded by vineyards and fields of cherry trees. Maps are available at the Tourist Office.

# An access to Haute Route services

**YOUR RELATIVES ARE PART OF YOUR LIFE, WE WANT THEM TO BE PART OF YOUR HAUTE ROUTE EXPERIENCE!**

If they come to support you, our job is to support them as well:

## Accommodation

Different packages are available on the Haute Route website.

## Supporter Briefing

They get their own briefing from our race director on registration day and can attend the daily briefing followed by the aperitif.

## On the course

They can follow you on the roads and meet you at feed stations or follow you online.

## Lunches & moments of celebration

Tickets are sold at the Haute Route Village.

And remember that you can extend your journey and enjoy a few more days together to discover the local culture and specificities!
