Dear Rider

Welcome to the 2020 Haute Route Ventoux. We've been working hard behind the scenes to make sure everything is in place so you can live an experience of a lifetime.

Part of this process is the publication of this roadbook. Its purpose is to provide a comprehensive guide outlining all the information you will need during the 3 days, both on and off the bike.

Inside you will find details on the registration process and technical stage information for the event, including details of the mechanical and medical assistance provided.

Wishing you all the very best of luck with your final preparations,

The Haute Route Team.

Bienvenue à la Haute Route Ventoux 2020. Nous travaillons dur tout au long de l'année pour que tout soit en place afin que vous puissiez vivre une expérience inoubliable. Une partie de ce processus est la publication de ce roadbook (en anglais uniquement). Son but est de vous fournir un guide complet avec toutes les informations dont vous aurez besoin pendant les 3 jours, à la fois pendant, avant et après les étapes.

À l'intérieur, vous trouverez des détails sur le retrait des dossards, des informations sur chaque étape, y compris les détails de l'assistance mécanique et médicale fournie pendant l'événement.

En vous souhaitant bonne chance pour vos derniers entraînements,

L'équipe Haute Route

Registration Day

The event village will be open on Thursday afternoon.

-  **1 VILLAGE ARRIVAL** – We advise you to arrive at the Event before 4pm. Before exploring the village and visiting partners' and exhibitors' booths, make sure you follow the steps outlined below.
-  **2 BIKE PARK** – If you brought your bike with you to the village use the secure bike park while you complete the registration process.
-  **3 BIB COLLECTION** – Collect your bib and bike plate (you will need one form of photo ID).
-  **4 REGISTRATION PACK COLLECTION** – Get your official Haute Route jersey, goodies from partners and for Original Riders your backpack (25L).
-  **5 OFFICIAL PHOTO** - Don't forget to have your official Haute Route picture taken.
-  **6 BIKE PLATE** – Once you've collected your registration pack, attach your bike plate on to your handlebars. It is forbidden to alter, cut or fold your bike plate.
-  **7 WELCOME BRIEFING** – Once you have completed all these steps and have visited our partner and exhibitor stands please ensure that you attend the mandatory Rider Briefing.

N.B: The Rider Briefing will be followed by the Event Supporter Briefing which is mandatory for friends and family following the event by car.
-  **8 PASTA PARTY** – To start the Haute Route in the right way, make new friends over dinner at the Pasta Party, which will take place after the Rider Briefing.

Finally, don't forget to pick up your bike if you used the bike park. There is no secure bike park overnight.

Rider's Experience & Services Team Official Hotline

If you have any questions about the organisation on-event. The phone-number is activated from the day prior to registration day until the day after the closing ceremony

Medical Emergency

24/7 hotline for any medical emergency on-event

Rules And Regulations

It is important to be aware of all the Rules & Regulations of the Haute Route which include timekeeping & rankings, time limits, equipment allowed, safety, medical and personal assistance, anti-doping and other important topics.

Your road bike

The following equipment is strictly forbidden:

- Any handlebar extension system
- Recumbent bikes, monocycles, tandems, or electric bikes
- Bottles made of non-deformable material (glass, aluminium, ...)
- Wheels with less than 12 spokes

The following equipment on your bike is mandatory:

- A red light at the rear

Cut-off times

Cut-off times for each stage will be communicated in your Riders' Roadbook. For safety reasons, after the cut-off time you will no longer be able to continue on the route and you will be picked up by the broom wagon. In some occasions, the cut-off times are imposed by public authorities and the Haute Route will enforce them. In other occasions when safety can be guaranteed, the Race Director might be able to use more flexibility with the riders.

Abandon

In case you abandon the race, you must inform the organisation by calling the Haute Route hotline. **+33 7 72 77 06 75**

Road safety

	
Respect traffic rules at all times	Ride on the right-hand side of the road
	
Respect traffic signs of the Haute Route	Respect other road users (not involved in the event)
	
Wear your helmet at all times	No earphones

Sustainability

By entering the Haute Route, you commit to respect the environment and the natural areas visited. It is strictly forbidden to leave any type of waste (paper, plastic packaging etc) on the course. Any rider caught throwing waste on the course can be penalised or even disqualified.

Safety And Support

Organisation

Technical Assistance

The official technical assistance is the only party authorised to provide assistance on the course outside of designated feed stations. Riders receiving outside assistance - mechanical or otherwise - are liable to penalties and ultimately disqualification.

- Every participant is expected to be self-sufficient in the case of a puncture
- If you suffer a mechanical, please be patient and inform the driver of the closest course vehicle. Time waiting for technical assistance cannot be deducted from your race result.
- Technical assistance will be available in the event village and at the start line.

Although there may be some bike shops close to the course, we recommend you bring specific spares including:

- A rear-mech hanger
- Allen keys specific to your bike
- Spare brake blocks (front and rear)
- Inner tubes with the correct length valves, CO2 cartridges and a pump

Transition

Some stages can include a transition after the stage to go from the finish line to the Event Village. Haute Route signage will be on the road however roads will be open to traffic so you will have to respect the traffic rules. We recommend you wait for your friends and ride as a group.

Start convoy

Most stages will begin with a non-timed secure convoy to roll out of the city. The peloton will ride at the pace of the Head of Race car until the first timing mat. The start convoy is included in the distance of the stage.

Medical Assistance

Available 24/7:

- Emergency Doctors
- Professional Nurses
- Ambulances

INTRODUCING

Bédoin

The town of Bédoin is located in the French area of Provence; built around the Colline Saint-Antonin it is constituted of a number of beautiful hamlets surrounding a charming town centre.

The town's DNA is inextricably linked to the land upon which it is built, and to the mont Ventoux. The 9103 hectares of communal land stretch from the southern side of the mont Ventoux itself to its summit which stands at 1909 m above sea level. Bédoin is also home to the biggest communal forest in France (6300 hectares).

The Ventoux massif is home to a diverse and protected selection of wild flora and fauna living in one of the most unique ecosystems in the world.

Bédoin is renowned for its AOP Ventoux vineyard, its quality of life in a gorgeous nature and its dynamic and welcoming population. People come from the world over to visit the tourist-friendly town. On top of the incomparable cycling, visitors can enjoy local restaurants, shops, vineyards and tourist attractions. The Monday morning market is known for being one of the best in Provence.
